Dear Coach:

The 2022 Cross-Country season is rapidly approaching. As in past years, the Oneonta Cross-Country Team is anxiously waiting to fire up the season with its annual invitational at Fortin Park in Oneonta. It will be a 5000 meter course that is entirely on grass except for 2 quick road crossings with one short hill. This is an extremely spectator friendly venue with plenty of coverage for incimate weather with the availability of 2 hangars. We recommend running in racing flats or spikes. The races will begin at the far end of the former grass runway and finish just past the hangars. My plan is to have the following races:

Boys Varsity: up to 7 runners

Girls Varsity: unlimited runners

Boys JV: unlimited runners

Boys Modified *Time Trial*: unlimited runners

Girls Modified *Time Trial*: unlimited runners

Please bring your modified runners whether they have enough practices or not. If they do not, the race is considered a "time trial" so they can race regardless and get an early season race under their belts.
