

**17th Annual Cicero-North Syracuse Co-Ed Track & Field Invitational
Cicero-North Syracuse High School**

**Saturday, May 20, 2017
10:00 AM**

Dear Coach,

Your team is invited to attend the 16th Annual Cicero-North Syracuse Track & Field Invitational being held at the Richard J. Nastasi Track Facility in the Michael J. Bragman Complex at Cicero-North Syracuse High School, site of the **2018 New York State Track & Field Championships**. CNS High School is located on Route 31 just east of Interstate 81 at the Cicero exit, just 15 minutes north of the Thruway.

The meet will offer varsity events for boys AND girls. Full Automatic Timing will be used to time all running events. Results will be computer generated and posted immediately on the scoreboard and inside the stadium at the conclusion of each event.

Due to the number of anticipated entries and in an effort to keep the meet on time, we are using timed finals in the 100m, 200m, 110 HH and 100 HH (USE ACCURATE SEED TIMES).

National Federation rules will govern the meet. An athlete may compete in four (4) events but all must adhere to all New York State regulations. The top finishers in each event will receive medals, 2nd – 6th place ribbons and team scoring for the teams entered. Awards will be placed in large envelopes in the press box and should be picked up at the end of the meet. Team score ties will be awarded to the team with the most first place finishes.

We look forward to hosting you and your school. If there are any questions or concerns please contact me via e-mail: gbroton@nscsd.org

Sincerely,

Greg Broton
Meet Director

The CNS track facility is unique in that it has the capability of allowing each field event to be run simultaneously, when needed. This impressive facility is an outstanding site for the New York State Track & Field Championships. For example, both the boys and girls long jump can be held at the same time. The CNS multi-event site allows championship meets to run much smoother and faster.
