Dash in the Dark XC Relays

"FREAKS COME OUT AT NIGHT"

Dash in the Dark is a cross country relay race run at night under the lights. The race will be run on a spectator friendly course on a grass surface. A relay team consists of 3 runners who will each run a 3200 meter leg. Join us and kick off the 2025 XC season in style.

When: Friday, September 5th

Where: Oakfield-Alabama Middle-High School located at 7001 Lewiston Road Oakfield, NY 14125, 6 miles north of Batavia, 45 minutes from Downtown Rochester & Buffalo.

Course: The course is a fast, flat, grassy, 1600 meter loop around the school grounds. Each leg will run two loops. The course will be well-marked, safe, and well lit. Runners do not need to walk the course before they race to be able to follow it.

Format: Relay teams consist of 3 runners. Each school can enter 3 teams (A, B, and C) in the Gold races (fastest race) and unlimited teams in the Blue races (D, E, F, etc.). **Your top runners MUST run in the Gold races and CANNOT run in the Blue races.** Any additional runners on your team can compete in the Blue races. There will be a separate Boys Blue Individual Race for all the JV boys that aren't in a three-person relay team.

Entry Process: We are accepting the first FIFTY (50) schools who commit!

A. **Intent to Participate:** Please e-mail Peter Beuler ASAP or by **Friday, August 22nd** the latest.

E-Mail Address: pbeuler@oahornets.org

B. **Online Entries:** **Tuesday, September 2nd by 9:00 PM**

Entries will be conducted on MileSplit.

Instructions on how to enter your relays will be e-mailed out to coaches in August.

****If you need to change a runner on the day of the meet, you may do so. However, the names in the computer will not reflect that change.

Entrance Fee:

\$200 per school with a boys and girls team.

\$100 per school with just one gender competing.

Please make checks payable to: Oakfield-Alabama Central School

Please mail payment by: Friday, August 22nd

Please send payment to:

We are getting a new track stadium built this summer at OACS.

Because of the construction, we will have a different 1-mile loop this year.

We will not be starting and finishing inside the stadium this year.

For Dash 2026, we will again make use of our track stadium and run a similar course to past years.

Thank you for your understanding.

Timing: FAT timing and results will be done by Leone Timing.
