- ✓ Races will start on time, we will try to gap slower runners before or after race starts so they can finish unhampered
- ✓ Due to the few number of JV girls, the girls' varsity races will be unlimited and there will be a boys' only JV race.
- ✓ This schedule is based upon entries and could change. Notice of any changes and divisions will be given in the beginning of the week prior to the meet.
- ✓ Divisions for varsity only races will be divided as evenly as possible using this year's BEDS numbers. Due to the limited size of the starting area it is important to divide the teams evenly in the divisions as to insure a fair and safe start. We take our field of entrants and divide them as equally as possible taking into consideration the total number of runners per race. If a small number of schools enter we could go to one division.

- Individual medals and ribbons will be handed out in the chute. Medals 1-20 Ribbons 21-30 **(medals to 25, ribbons 26-35 for girls varsity only)**
- Once team results are posted, coaches may pick up team awards upstairs in the lodge.
- Team Awards for Both Genders: 1st, 2nd & 3rd for Varsity & Modified,
- **(JV Boys 1st & 2nd only)**
- Varsity will complete a two loop grass and dirt course (2.82 miles)
- Modified will run a one loop course (1.46 miles)
- Course consists of grass, dirt and hills that traverse across Bob's Tree Farm.
