Once the meet begins, warm-ups should be done outside of the track area- not on the track or infield- the infield should be clear of all athletes not competing.

Tent setup for teams will be on the grass behind the bleacher areas or along the fence outside the track. Please do not set tents up in the stands next to the press box.

All clerking for track events will be done outside of the fence area near the finish line. Field events report directly to their event area.

Marlboro's athletic trainer will be on site for injuries. *Please use your discretion.*

In the event of inclement weather/lightning, teams should report to their buses.

Bathroom facilities are located outside behind the bleachers.

Concession stand, food truck, and meet t-shirts will be available for sale.

We will break after the 100m Trials to play the National Anthem

and to recognize Marlboro's senior student-athletes. This usually takes around 10-15 minutes. Please plan Steeplechase warm-up time/check-in accordingly.
