The 51st McDaniel-Baxter XC Invite

We hope you are able to join us for what should be a great day of racing on the hills and trails at Chenango Valley High School. We will again be hosting the Warrior Challenge, a 4K public race, as part of our race day events. Coaches are encouraged to enter the Warrior Challenge, and will be charged no entry fee. The Warrior Challenge is a competition for both individuals and teams.

POINTS OF EMPHASIS

1. We will run a very similar course to last year's new layout. The course is arranged to make use of virtually every piece of trail we have on our campus while still passing three times through a spectator-friendly area.
2. The distance for all high school races (and the public Warrior Challenge race) is 4K (2.49 miles).
3. Varsity races have a maximum of 10 entrants and a minimum of 7 (unless your program does not have 7 athletes who are competitive at the varsity level).
4. Larger schools are encouraged to enter up to 10 runners in the varsity boys race to help reduce the size of the JV boys race.
5. Individual awards will be handed out in chute.
6. The Warrior Fun Run will finish on the track immediately preceding the Awards Ceremony. This should give young future distance runners an opportunity to finish in front of the crowd gathering for the Awards ceremony. The Fun Run is a free 600M XC run for kids under age 12. The start for this race is on the plateau near the start for all other races.
