

June 9, 2016

Dear Cross Country Coaches,

We are pleased to announce that Queensbury High School will be holding the ***13th Annual Adirondack Cross-Country Classic*** on **Saturday, September 17th, 2016**. We are interested in running a championship quality meet, which will attract the top teams from New York and surrounding states. This will be the same course that was run for the 2005 and 2013, New York State Cross-Country Championships. The races will be held at the Queensbury School campus on our 5,000-meter course. The course will be run entirely on grass and trail surfaces as this is a true “spike” course. The course starts with an open field of 400 meters before you reach the trails. There are no road crossings and the trails are wide and smooth. The course will offer 555 meters of open field to the finish. The course is rolling and fast with 2 challenging hills located at mile 1 and mile 2. This is a spectator friendly course and will offer participants and spectators alike a running festival atmosphere.

The results will be available within 15 minutes of the conclusion of each race. Team awards will be picked up at the results tent and copies of all results will be offered immediately after awards are posted. Individual awards will be handed out at the end of the chute.

We look forward to seeing you and your team and hope you will consider attending our event. Make plans now to enter. The entry blank and a fact sheet are attached and are due by **Monday, September 12th**. ***This year we will be using Mile Split NY to register for the meet. For instructions on how to use Mile Split NY see the information below.*** Good luck in the coming year.

Sincerely,

Kevin Sullivan - Coach
Bob Underwood - Meet Director

Note: You may want to book hotels early as this weekend is a busy one and may book up early.

***** We may add races or subtract races as we get more information on entries and number of teams. We will try to run boys and girls teams from the same school in the same divisions where possible to make travel easier where teams travel together. Depending on JV numbers we may add another jv division for both boys and girls.

We will try to run the same number of teams in each race if possible.

This is a tentative schedule at this time

Teams are allowed to enter a maximum of 7 competitors in the varsity races. All other races are unlimited entries.

Check the Seeding and Boxes Page to make sure of your seeding. You need to race in the correct race.

Have fun and Good Luck !!!!!!!!!!!!!!!!!!!!!!!
